

Congresbury Tennis Club – Coaching Permission Form

I give permission to Dean Cope / Stuart Bannerman (circle) to provide tennis coaching for my child without my presence. I understand that this may entail for example my child using the clubhouse facilities when the coach is not present (for example if my child uses the toilet facilities or gets a drink of water when other children are being coached).

I consider my child to be physically fit and capable of full participating.

This permission does not give the above person permission to give your child a lift or arrange a lift for them or to take photographs or video footage. These are dealt with through a separate permission form.

I acknowledge that as a parent/support I also have responsibilities when coming to the court. Policies for safeguarding are available at <http://congresburyltc.net/> including Part A for Players, **Parents & Supporters** and Part B for committee members, coaches, volunteers and employees of Congresbury LTC as well as for any players/supporters who wish to know more or who have a concern.

Child's name: DOB:.....

Details of allergies, medical conditions or medication:

.....

Parent/Guardian name:..... Emergency Contact No.:.....

Parent/guardian signature: Date:

Part A (page 1 of the Safeguarding document) should be provided with this form.

A copy of this form must be passed to the club secretary by return.
